

Aadhar seeding process

- 1) Go to the **NPCI** portal to check Aadhar seeding <https://www.npci.org.in/>
- 2) Select “**Consumer**” and then select “**Bharat Aadhar Seeding Enabler(BASE)**”.
- 3) Then click above for other services and select “**Get Aadhar mapped status**”.
- 4) Then enter your Aadhar number and fill Captcha select Check Status.
- 5) An OTP will be received on your registered mobile number.
- 6) Enter OTP.
- 7) Your mapping status will be shown (Enabled for DBT/Never Enabled for DBT).

Note: *If your account was found to be never enabled for DBT. Please visit your home branch and make it enable*
